Alumni
Network

9
Universities

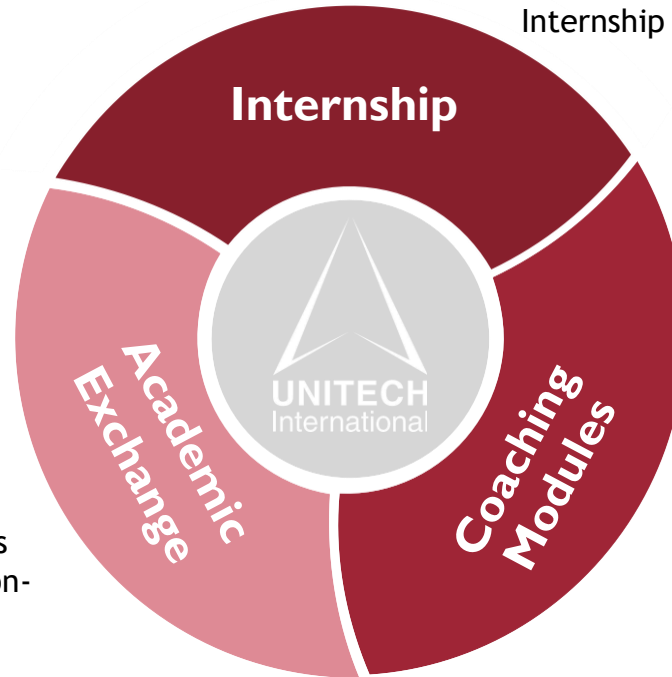

Developing Tomorrow's Technology Leaders Today!
UNITECH: A network of professional possibilities

What defines the UNITECH programme?

- Much more than an Exchange Semester -

The UNITECH programme is divided in **3 main elements** that together create a unique experience!

Internship

- Gain real work experience
- World leading companies in their respective fields
- Tailormade internships for your ambitions

Academic Exchange

- 9 leading technical universities
- Ireland and UK universities (non-ERASMUS) included

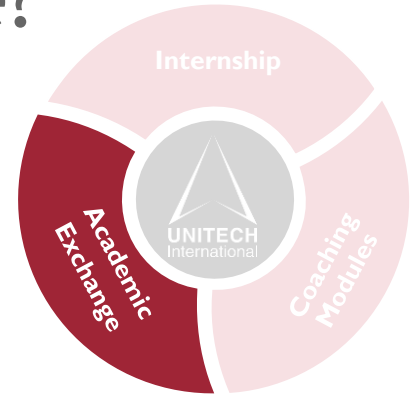

Coaching Modules

- Personal growth
- Teamwork and diverse environment
- Networking opportunities
- Self-reflection and feedback

What defines the UNITECH programme?

- Exchange at an Academic Partner -

Stay 1-2 semesters in one of the top universities in Europe!

- Around 10 UNITECH students in each academic partner!
- The best universities in Europe represented
- Flexibility in available courses and pathways
- The coaching modules take place at different academic partners → you could get to visit 3 different cities!

 - Admission: same-day feedback
- ✓ Announcement of the UNITECH host university destinations: March-April 2026

How to Apply

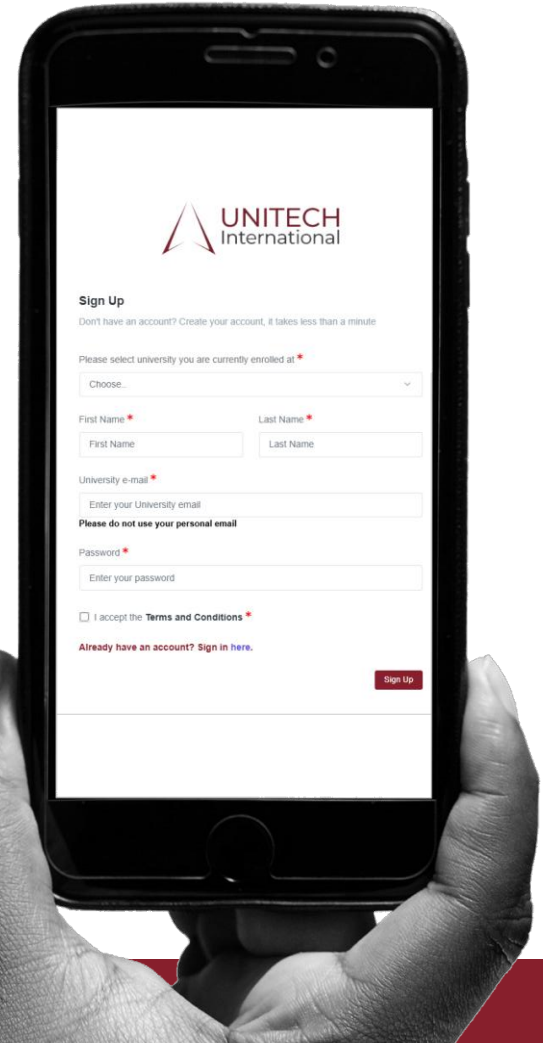

On-line application process:

<https://mitams.enrol.ie/unitech-internationalFE/Login.aspx>

**Application deadline:
December 12th, 2025**

→ The application takes time, start it right now (!)

What is the UNITECH Alumni Association?

We want to be the network of **engineering professionals that drives positive impact**

+1.5k

Alumni Globally

25+

Years History

Top-Notch

Professionals
World-wide

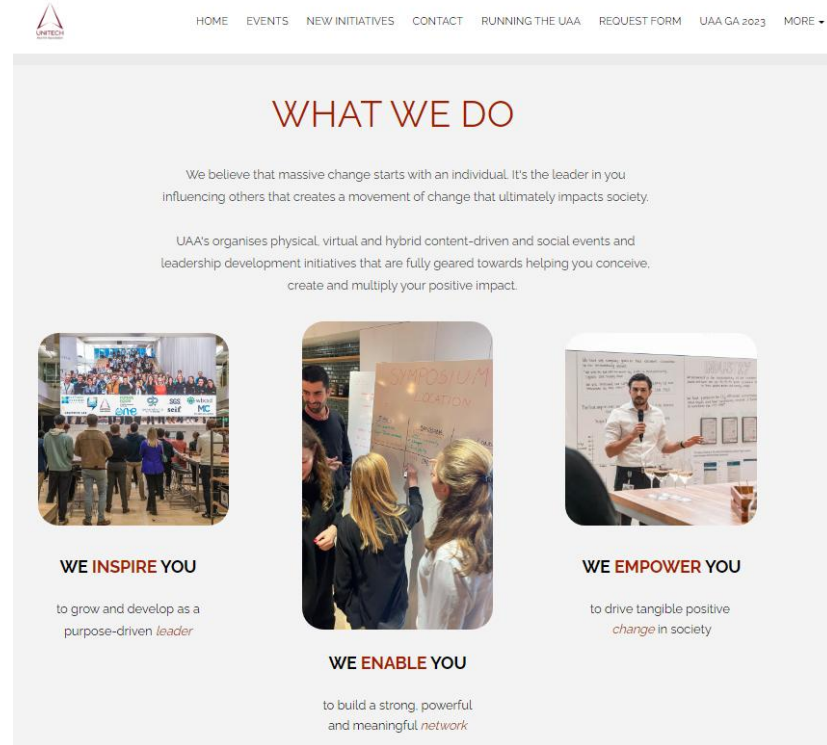

What is the Aim of the Alumni Association?

<https://www.unitechalumni.org/>

The UNITECH experience does not end after your active year as a program participants!

UNITECH has an active alumni network that organises events (social and professional), helps developing the program and engages with the corporate partners!

The best part is the incredible NETWORK you have access to as a part of UNITECH! There is an endless amount of interesting career pathways represented!

The screenshot shows the website's navigation bar with links: HOME, EVENTS, NEW INITIATIVES, CONTACT, RUNNING THE UAA, REQUEST FORM, UAA GA 2023, and MORE. The main heading is "WHAT WE DO". Below it, a paragraph states: "We believe that massive change starts with an individual. It's the leader in you, influencing others that creates a movement of change that ultimately impacts society." Another paragraph follows: "UAA's organises physical, virtual and hybrid content-driven and social events and leadership development initiatives that are fully geared towards helping you conceive, create and multiply your positive impact." Three image-based sections are shown: 1. "WE INSPIRE YOU" with an image of a large group at a conference, text: "to grow and develop as a purpose-driven leader". 2. "WE ENABLE YOU" with an image of people at a whiteboard, text: "to build a strong, powerful and meaningful network". 3. "WE EMPOWER YOU" with an image of a speaker at a table, text: "to drive tangible positive change in society".

Why Should You Apply to UNITECH?

- Take the next step (or three) in your **personal development**
 - Meet **friends for life**
 - Get **perspectives** on your life, education and career pathway
 - Gain **work experience** in a dynamic **international environment**
- ... just to name a few examples!
