STUDENT DORMS

RESA provides rooms in two students' residences in Terrassa very close to ESEIAAT campus: Hipatia and Giralt i Serrà. You will find more information about those students halls such as prices, description of rooms and contact details at the following link: <http://www.resa.es/en/city/terrassa/>.

PRIVATE ACCOMMODATION

Private accommodation may be sometimes more expensive than student dormitories. The price for renting a one-bedroom apartment in Terrassa can range from 350-600 euros. Many students choose to share flat with other students. You can expect to pay around 200-350 for a decent size room in a shared flat.

ESEIAAT recommends students that look for private accommodation to use the following platforms:

- UNIPLACES (www.uniplaces.com) They act as intermediaries between the owners and students looking for accommodation. They have a wide range of housing possibilities in Terrassa and Barcelona.
- HOUSINGANYWHERE (www.housinganywhere.com) They put students that look for accommodation in contact with people renting rooms in Terrassa and Barcelona.

Please use common sense and be aware of scams when looking for private accommodation. If you rent a whole apartment have in mind that you will need to pay in advance one month rent, one-month deposit and one month rent as fee for the agency.

AREAS IN TERRASSA

Terrassa is a relatively small city that has a good transportation system. There is affordable accommodation in areas like Vallparadís, Cementiri Vell and Zona Escoles, which are close to ESEIAAT Campus. If you plan to live further away from the Campus, we recommend you find a place close to any of FGC stops, that connect different parts of Terrassa to ESEIAAT Campus.
