**Cranfield is  
creating leaders in  
engineering,  
technology and  
management**

## Who we are

A specialist postgraduate university located at the heart of the UK, Cranfield's world-class expertise, large-scale facilities and unrivalled industry partnerships are creating leaders in technology and management globally.

The research and consultancy we carry out for industry, government and business provides our students with a real-world learning environment, allowing them to develop as professionals and then transfer their knowledge to the global economy.

## Strategically located in the UK

Cranfield University is located within the Oxford to Cambridge Arc (O2C), an initiative launched in 2003 to create an “arc” of innovation and entrepreneurial excellence.

It is also near to Silicone Fen, home to a large cluster of high-tech businesses focusing on software, electronics and biotechnology.

This makes Cranfield University well-located for study and research opportunities as well as future employment prospects.

# Campus life

## Cranfield Students' Association (CSA)

The CSA is run by a team of elected students and supported by a small team of staff, supporting and representing Cranfield University students, promoting student welfare and organising social, cultural and sporting activities.

Throughout the year, the CSA organises regular entertainment including freshers' and graduation events, live bands, discos and the President's Ball. The CSA also organises trips to places of interest around the country, according to the demand from members.
