Testimony from an alum Mr. Javier Perez, of ETSII-UPM & IIT (IIT-MMAE 2008)

Was it worth it?

“Absolutely! The experience is worth the cost a compensation point of view as well as a personal endeavor. Without the IIT, I would have not been able to work in the USA”

Would you recommend this experience to others & why?

The job market is a very competitive one. You need to be able to differentiate yourself. Coming to study in the USA gives you that differentiation.

Salary range: first year 50+ 10K; 3rd yr: 65 +10K

“After F1 OPT, and then several H1bs, I got my green card last year, 9 years after I arrived in the USA”

Current job position: Senior Associate for Strategy
