INTERNATIONAL PAID INTERNSHIP **#PGDAY 1**

Procter & Gamble, a leading Global Consumer Goods company, is looking for our future business leaders.

We want to meet students like you, who have great potential, and who are interested in **engineering internships** and industrial placements.

Come and join us on **Friday 22nd February** to learn how you can get a **paid international internship** at P&G in Brussels where you can touch and improve millions of lives.

There is also a prospect of a full-time job offer after you complete your master's degree!

ESEIAAT, Edifici TR5, Sala de Conferències, 12-13 h
