

GUIDELINES FOR FINAL THESIS EXAMINERS

You've just been appointed as an ESEIAAT final thesis examiner.

Remember:

- 1 You'll find all the final thesis documentation in Atenea TFE.
 - 2 The student has declared that the thesis is an original work and that the sources consulted are cited in the bibliography.
 - 3 The supervisor has validated the quality of the thesis so that it can be assessed by the examination committee.
 - 4 The supervisor has indicated whether or not the thesis is confidential.
 - 5 If the thesis is confidential, the examiners will have to accept the declaration of confidentiality before they can download it.
 - 6 The examination committee is composed of three members (ESEIAAT academic staff), who serve as the chair, secretary and ordinary member.
 - 7 In the case of bachelor's theses, the thesis supervisor serves as the secretary of the examination committee.
 - 8 In the case of master's theses, the supervisor does not serve on the examination committee but has completed a report on the development and results of the thesis so that their input can be taken into account when it is assessed.
- ↓ When assessing a thesis, bear in mind the following points:

40%

Overall:

- coherence and clarity in the relationship between objective and results
- use of critical thinking
- originality and innovation
- correlation between theory and practice

10%

Convincing theoretical foundations and exposition of advances achieved

30%
